WDTR 21 June 1956

SUBJECT: Special Presentation for WS 117L Prime Contractor

TO: Commander
Rome Air Development Center
Attn: RCDIO
Griffiss Air Force Base, New York

1. Reference letter dated 7 June 1956, subject: (Unal) Special Presentation for 117L Weapons System Prime Contractor.

2. This office has coordinated the subject of a special presentation with Lockheed Missile Systems Division, and it is agreed that a presentation of this nature will be of definite value.

3. It is recommended that although the September 1956 date be used for tentative planning schedules, it is possible that an earlier date, in early August 1956, may be more desirable in view of possible early program approval.

4. It is realized that a presentation in August may be less sophisticated, but in view of a possible early go-ahead, it would seem advisable to provide Lockheed Missile Systems Division with an input on long lead time items under this circumstance.
